Design Waves / Volumizing

All waves are custom tailored, depending on length and condition of hair. Service includes: clarifying shampoo, treatment, pre- and post-conditioning treatments.

\$68.00 and up

Volumizing Treatments are a great way to add that extra volume to your hair

\$58.00 and up

Smooth Style re-texturing service is great for taming natural curly or frizzy hair, creating lift and volume where there is none, controlling cowlicks, and changing the texture of your hair into a smoother, more controlled style.

\$80.00 and up

Smoothing Treatments

Controls volume or frizzy/wavy hair for up to 12 weeks. Volume reduction 100%, curl reduction up to 80%. Includes a synergized shampoo and condition "after-care" to maintain and prolong smoothing.
